**LAUTECH Nanotechnology Research Group**  
...Enabling Qualitative Research at the Smallest Scale

## GUIDELINES FOR MEMBERSHIP OF NANOTECHNOLOGY RESEARCH GROUP (NANO<sup>+</sup>)

### A. Positions: Interested applicants can apply for any of the following positions in the research group:

- i. Research assistantship
- ii. Collaboratorship
- iii. Full-fledged membership

### B. Requirements

#### i. Research Assistantship

1. Possession of first degree (minimum of Second Class Lower Division) or/and second degree or currently on postgraduate program in relevant field of study.
2. List or presentation of evidence of research experience/skills.
3. Capability to carryout independent research work with minimum supervision.
4. Submission of statement of motivation (not more than a page).
5. Submission of signed application form by the applicant.

#### ii. Collaboratorship (on terms to be agreed with research group on execution of project)

The candidate must:

1. be of good characters.
2. possess PhD, and be a worker of a recognized higher institution, research institute or industry.
3. submit a statement of motivation for collaboration (not more than a page).
4. submit signed application form.

#### iii. Full-fledged membership (successful candidates to be offered provisional membership for six (6) months in the first instance)

The candidate must:

1. be of good characters.
2. possess PhD, and be a worker of a recognized higher institution, research institute or industry.
3. submit statement of motivation (include knowledge about nanotechnology/relevance of expertise to the focus of research group).
4. give a 10-minute talk on a nanotechnology related topic as part of assessment for membership.
5. submit list of 10 most important and recent publications.
6. submit signed application form.

**NOTE: The application form must be submitted within four (4) weeks of its collection**

## APPLICATION FORM

Affix recent  
passport  
photograph

### 1. APPLICANT'S INFORMATION

#### A. Personal Data

- i. Name of applicant: Surname.....  
Other names.....
- ii. Sex: male  female
- iii. Nationality.....
- iv. Phone Number(s) .....
- v. E-mail.....
- vi. Postal address.....  
.....  
.....
- vii. Current Professional status.....
- viii. Type of application.....  
{(Research Assistantship), (Collaboratorship), (Full-fledged membership)}

**B. Educational Background**

- i. Higher institutions attended, degree(s) obtained with dates: (photocopies of the certificates obtained must be attached to the application form)

.....

.....

.....

.....

.....

.....

.....

.....

**C. Work experience with dates (if applicable)**

.....

.....

.....

.....

**D. Research experience (if applicable)**

.....

.....

.....

.....

.....

.....

**E. Research publications: List of 10 most important and recent publications (Attach list to the application form)**

**F. Membership of professional/academic body and roles/contributions**

.....

.....

.....

.....

.....  
.....  
.....  
.....

**G. Statement of motivation (to be attached to the application form, and must include knowledge about nanotechnology/relevance of expertise to the group)**

.....

**H. Brief concrete future research plans for the research group (Not applicable to research assistantship)**

.....  
.....  
.....  
.....  
.....  
.....  
.....  
.....

**I. Name and address of two referees (submit sealed letter of recommendations on official letter head with the application form. Among other things, the report MUST relate to the character, independent and critical thinking, and level of communication in English language of the applicant )**

.....  
.....  
.....  
.....  
.....

**J. Declaration**

I ..... hereby declares that the information provided above about me are true, and I agree to have my request/application form not granted/ not approved or withdrawn if any of the information is found untrue.
